Wednesday 11th April 2018 Week 11 Term 1

Last Day of Term 1 - Friday 13th April

2:15pm Dismissal

Term 2 - Monday 30th April 8:45am

FROM THE PRINCIPAL

OUR OUTSTANDING STUDENTS

Congratulations to all of our Level 3 (JP) and Level 4 (MP and UP) students who will be attending the celebratory sausage sizzle on Friday.

I am sure that your families are all very proud of what great role models that you have been this term. You have all shown great leadership and a wonderful attitude to your work.

This is what makes Berri Primary School great.

HEADING OFF OVERSEAS

Mrs Rivera will be away for all of Term 2 and the first half of Term 3 as she and her husband will be going overseas. I'm sure she will have a fantastic time.

Peter Safralidis will be the Deputy Principal while she is away.

Wheels Day Friday

DIARY DATES PUPIL FREE DAY Week 4 (T2) Mon 21 May

PUPIL FREE DAY Week 4 (T3) Fri 17 August

Last Thursday 9 of our wonderful year 6/7 students (Breah Cooper, Mackenzie Gibbs, Michelle Hoang, Brianna Horner-Skinner, Rhianna McPhee, Nikki Pfitzner, Bella Smith, Tori Thompson, Ayyah Young) participated in SAPSASA Netball. The day was extremely hot but that didn't stop these girls from giving it their all. After three games, we had played hard but unfortunately did not win, getting as close as one goal behind! On our fourth game we had a win against Waikerie! This led us to competing for third/fourth place. We tried our hardest, played our best, even suffered injuries but we just couldn't match Loxton. The girls did their best, represented the school with pride and overall had so much fun. Thanks for an amazing day girls!

Rooms 24 and 25

Persuasive Writing

Cute animals taken to the zoos for no reason. Grrr! Scratching the walls trying to go back to their families. Imagine being moved to different places every day. Animals being tired and still having to do shows, it's unfair. We don't have to do shows so why should they have to?

Jade Butson, Room 25

Vicious, dangerous animals roaming the streets of Adelaide. Crash! Trees are falling. Smash! There goes my car. Putting animals in zoos can stop the world from falling down around us. In zoos we're all happy. Native wildlife won't get hurt, we won't get hurt and the animals will be safe and sound in the zoo.

Scarlett Goldsmith, Room 24

Should animals be kept in zoos?

Vicious, dangerous animals roaming the streets of Africa, damaging trees, cars and even hurting humans. That should not happen so keep them in a zoo where they are safe and will not damage anyone or anything. You do not really want to see a tiger or something really dangerous or it will hurt you. Keep them in a zoo where you can see the animals without getting hurt. Also, animals eat their prey so keep them in a zoo and in different rooms and all animals will be safe.

Kate Szabados, Room 25

Do you ever fear that an animal is going to go on a rampage in the city? Well we can stop that. We must separate animals from their prey so that it is much safer. By having animals in zoos no one will get killed and people will still be able to see them in their natural habitat. Just think that soon animals will be destroying everything and everyone. Luckily for us they're locked up in their own habitat.

Kate Kruger, Room 24
