Big Beanie Day Aerial Photo Tomorrow! 11am Wear your Beanies, families welcome

FROM THE PRINCIPAL

What a shame that the weather was so miserable for our Big Beanie fundraiser. After all the hard work put in during lunchtimes making beanies and organising the event a little sunshine would have been nice.

However the coin line went ahead and more than \$600 was raised by the students which is an incredible effort. The whole school photo had to be cancelled but we will try again tomorrow to get our overhead photo of all the Berri Primary students in their beanies. Congratulations to all of the staff, parents and students involved in organising this.

Another big whole school event is coming up in week 10 when our sports day has been scheduled for Tuesday 3rd of July. We have already started our house meetings and the house captains are doing an outstanding job of organising their teams. Keep an eye out for information about how you can be involved. Mr Coote tells us it will be action packed and full of fun.

Classroom teachers are busy completing student reports ready to be sent home at the end of this term. These reports provide you with information about how your child's learning is progressing and if they are on track to achieve the expected standard for their year level. The reports will go home in the last week of school this term. The STEM building is getting close to being finished which is incredibly exciting. Last week the electricity was reconnected, painting finished and final touches are underway. We will keep you informed about an opening date and when you can have a look at the work that has been done.

All the staff at Berri thank you for your continued support in the education of your children. Strong partnerships between school and home are a key to successful outcomes.

Judy Cottam

DIARY DATES

CHANGED DATE

SPORTS DAY

CHOIR - TOWN HALL

PUPIL FREE DAY

SCHOOL CLOSURE

Week 10 Tues 3rd July

Week 3 (T3) Thurs 9 August

Week 4 (T3) Fri 17 August

Week 7 (T3) Fri 7 September

In room 15 we have recently planted up our garden area. We had to get the plot ready for planting, research which vegetables can be planted now, go to the garden centre and buy them and then plant our patch. We worked with a partner and also had to measure out where we were going to plant our seedlings depending on how far apart they needed to be planted.

We have also been enjoying swimming lessons at the Renmark Indoor Pool and lots of other fun learning.

Health and Physical Education with Mr Coote

Hi all,

This week students from years 3 to 7 have been jumping over buildings. Correction, they have been doing high jump and jumping over the bar learning two styles, scissor kick and flop. Some students have really taken to the event of high jump and showcased their ability. A young Miss Sahira G. really stood out so well that she had the opportunity to demonstrate to some older students her excellent scissor kick technique.

The junior primary students are practising their sports day modified games such as soccer dribble, sack race, fireman's water carry etc.

Due to an unforeseen clash of students being absent at a state carnival, the annual sports day carnival has had to be moved to Tuesday 3rd July (Week 10). Apologies for the inconvenience though it is important that all students have the opportunity to attend.

School Sport Update with Mr Coote

Cross Country

Congratulations to Cohen B, Levi M, Hayden H and Jai P who competed exceptionally well at the School Sport SA Cross Country Championships at Oakbank on Thursday 7th June. With up to 170 students competing in some races along with wind and rain to contend with, all four boys should be very proud of their achievements.

Results: Berri students

Cohen B – 45th/116

Levi M – 108th/141

Hayden H – 153rd/176

Jai P – 159th/178

Some other results to showcase that the Riverland is doing well at this sport are 1st U13 girls, 3rd U13 girls, 7th U13 girls, 12th U13 girls, 19th U13 girls, 16th U15 boys, 6th U12 boys, 3rd U12 girls, 21st U14 girls, 13th U11 boys. All of these athletes either qualified directly into the South Australia team or were offered a second trial due to their excellent placing. Across the Riverland, the interest in Cross Country and middle distance running continues to grow. This increase of interest is primarily due to the benefits now being recognised of improving mental strength and endurance capabilities to other sports.

Soccer

Congratulations to Rhianna M, Nikki P, Ryan V and Akusha M who were all selected to represent the Riverland in Soccer at the state championships in a few weeks' time.

Last Friday the students were entertained by a visiting band from Glenunga High School near Adelaide. A lucky couple were able to act as a conductor or play the violin.

Wow, what a brilliant day!

We really do have the best staff, students and families at Berri Primary! On our Beanie day, students worked together to create our coin Beanie, to count the coins and to talk about the need for cancer research.

Junior SRC took on organisational roles such as the coin counting, group management and the Beanie Stall. Even though the day was cold, the enthusiasm was electric!

The final count on the day was a huge \$695!!! Since then there have been some more donations and the count is now over \$800.

Thank you to our volunteer parents for coming in and sharing the day with us. Your support was so positive and your counting skills outstanding. The students were able to learn a lot from you in a short time.

As has been shared in the last couple of years, there are several staff members here that have lost loved ones to brain cancer. We also have many families that have been impacted by cancers. Due to this, students are always keen to raise money towards cancer research.
