

FROM THE PRINCIPAL

TIMES TABLES CHAMPIONS

From Monday to Thursday all classes from Year 3 upwards spend the first lesson of the day practising and attempting to master their tables. Children have to be able to say their tables fluently and answer 3 questions from the particular table they are being tested on. When they have mastered all their tables from 2 - 12 I ask them 20 random tables questions and if they are successful they enter our Tables Hall of Fame. The following students have already mastered all of their tables this year.

2021 ANNUAL GENERAL MEETING

Our Governing Council AGM will be held in the
Berri Primary School Library on Monday 15th March 2021 at 6:30pm.

We would love to see fresh faces and new voices join our Governing Council.

Governing Council meetings are very task orientated and usually last no longer than 1 hour. We only meet 2 times per term, so if you want to have a say in your child's education I urge you to come along and put your name forward or complete the reply slip. Please call the school if you would like further information.

I would like to be considered for a position on the Berri Primary School Governing Council 2021.

Over the past few weeks the Year 6/7s from Room 20, 21 and 22 have been lucky enough to participate in Aquatics at Lake Bonney. We encountered perfect weather on all days - the sun was shining and there was just enough wind to keep the wind surfers afloat!

Students got to have a go at windsurfing, sailing, knee boarding and kayaking. This is a part of the Health and PE curriculum as students learn valuable water safety skills. It was great to see all students showing their learner qualities and persisting at all activities. There were plenty of laughs, splashes and a few face plants into the water!

Year 6/7 Aquatics

"It was really fun, we got to go knee boarding and kayaking which was really relaxing. It was also a really nice day"
Thomas

"It was a great day to try new things that you don't get to do very often. If you show persistence and keep trying you can do anything- even get up on the knee-board" Ethan

"I think it was really fun because you can try out new things, and it's just a really good time in general"
Chas
