

PUPIL FREE DAY TOMORROW - FRIDAY 1st JULY

OSHC Available - Bookings Essential

GROWING WITH GRATITUDE: A YOUTH WELLNESS AND POSITIVE EDUCATION PROGRAM

Friday 10th June was a Pupil Free Day which allowed all our staff, and some from neighbouring schools to join in a vast variety of learning activities that involved a lot of movement and fun.

Growing with Gratitude focuses on building one's resilience, happiness and mental well being in schools and homes.

Being made aware of alarming statistics such as 1 in 7 Primary school children experiencing mental ill health, 1 in 4 adolescents experiencing mental ill health, and 1 in 5 adults will experiencing mental health problems this year, made this day especially crucial and relevant for us all.

Our staff learnt the importance of the: **5 Habits of Happiness**

Gratitude: Appreciating the things, the opportunities and the people in your life

Empathy: Seeing through another's eyes and understanding how someone is feeling

Kindness: Through what you say and what you do

Positive reflection: Focusing on the good things and understanding what has happened has happened, but what you do next is important

Service: Serving others without expecting anything in return.

The day involved us being actively engaged in so many different games, all of which can be incorporated into staff's weekly programs and daily practices and adapted so as to be suitable for children of all ages and year levels.

Feel free to chat to your child's teacher some more or our Student Wellbeing Leader, Sara Ormsby if you are interested in knowing more.

Nat always demonstrated great professionalism. She was highly dedicated to providing high quality learning for her students and developed strong working relationships with the families as well. We wish Nat all the best for the future.

Faye North will be on leave during term 3, so Sara Ormsby will continue in the Student Wellbeing Leader's role and Brittney Ferguson will continue teaching the reception children in room 5.

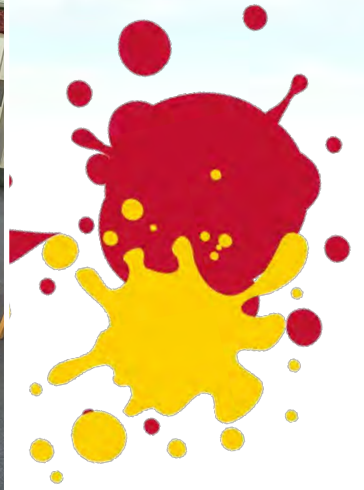

Staff V's Students DodgeBall

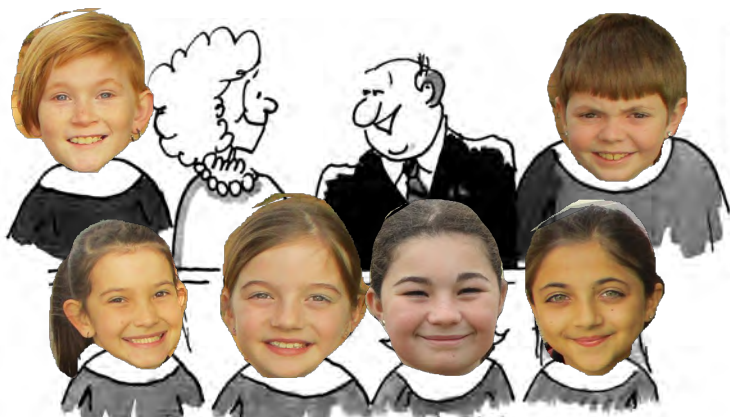

On Wednesday last week the School Leaders organised a Student v's Staff Dodgeball challenge. We put this whole school event together in 2 weeks. Everyone had different roles to fill in helping with organising the event. We held 3 matches so lots of kids could participate. It was very loud, exciting and everyone in the school was laughing. Staff came out on top...this time. We can't wait to hold future events.

SRC Hot Dog Day

Choir 2022

On Monday the 20th of June we walked to the Town Hall for our second rehearsal with all of the other choirs in our cluster. We had to concentrate hard and watch the choir conductor. We are getting ready for the big performance at the Chaffey Theatre on **Tuesday the 23rd of August.**

Congratulations to Nikoleta, Tia, Luke, Milla and Jordan who have all won a solo part. Congratulations to Maicey who has won a compere role.

All of these children competed against many other children from different schools and had two auditions before being selected. Well done!
